Breeder: Justin McNeece
Owner: Justin McNeece

Sugar Cane is bred well out of M.C. Hangin Tuff x Dunn Mint Julep. This heifer is packed with powerful genetics. Cowboy Tuff Chex on the topside and WS Jamakizm on the bottom side. This pedigree brings in two over 100" tt, two over 90" tt and several in the 80s along with a good lineage of twisty horn sets. Just go look her dam side and Dunn Over It and Dynamically Dunn and see the twist. Her dam Dunn Mint Julep is a well built, big brindle body
