DIXIE CACTUS ROSE

Date of Birth: 04/03/2023
Registration 1: CI345089
Breeder: Hickman Longhorns
Owner: Justin McNeece

I really like this heifer from Hickman longhorns breeding program. I have her granddam that is 87" of twisty horn along with this line of really good genetics. Her dam Dixie Rose Legacy was 80" before she was 5yrs old. Rose has already changed colors since I purchased her at a very young age and is getting darker by the day.
